

# Mental Health and Addictions Treatment and Counseling Resources for Miami and Surrounding Counties

**Our commitment to this community** is to help and assist those who suffer from mental illness and chemical dependency. Our core belief is that all persons, regardless of financial status, deserve quality prevention, intervention, and treatment services. The goal is for individuals to stop using alcohol and drugs and to achieve and maintain a drug-free lifestyle to become productive, functioning persons in family, work and society. This brochure provides an array of substance abuse and mental health treatment services and gives many different treatment options to the unique needs of each individual who is seeking services.
